Whether private and intimate or elaborate and formal, weddings by Skeleton Leaf are innovative, stylish and unique. As well as floral arrangements (including bridal party bouquets and ceremonial flowers) Skeleton Leaf can design a personal, unique theme for the day, from reception styling to the about you say 'I do' under.

We provide an array of wedding packages to suit almost any budget, with the ability to mix and match between Budget, Standard & Deluxe. These packages are all based on using seasonal flowers of your choice in colour and style. You may request not to use a certain flower or to incorporate your favourite flower (providing it is available and fits within the budget of the package you have chosen.)

Should any of our packages appeal to you, we welcome a consultation where our Wedding Coordinator will sit down with you, one on one, and thoroughly discuss your ideas, thoughts and desires! A \$50 consultation fee is required, which is then deducted from your final total. To make an appointment please email us requesting a preferred time. Appointments are usually made on a Friday.

# *Pricing FAQ*

## **Is all the pricing in this guide final?**

No, all the pricing in this guide is exactly that, a guide. Every element of your wedding is unique to you, and that includes flowers, style and size, so all elements are taken into consideration when we quote your requirements.

## **Do the Arbour prices include installation and setup?**

No, the pricing set in this guide is for pick up only, installation of Arbours and other arrangements for the day are quoted on a client to client bases because every location and arrangement is different.

## **Do you provide delivery?**

We do! Keeping in mind we are located in Elanora Queensland, we do provide local delivery from the Tweed Coast and to as far as Brisbane. Each delivery fee is quoted on a client to client bases, as you may require delivery to one or more locations, delivery starts from \$25.

## **What if I change my mind and need to adjust the quote?**

We take time to create a detailed quote to make sure we're on the same page, so please let us know if you'd like to change anything at all. We want to get it right for you.

## **Do I have to come in for a consultation?**

Not at all, we are more than happy to communicate with you via email.

Email is a little different from a face to face, so we do ask for as many details as possible, we encourage you to send us through as many images as possible, even share your Pinterest Board with us, let us know what you love and loathe, this will all give us a firm idea of what you are after, and we can accurately quote you on your big day or event!

Another thing we ask is a nice long list of everything you want to include on your big day. If we get all these details from the get go it makes things a whole lot easier down the track.
